

It's dinner time again at the Bonnington

THE BONNINGTON PLAYWRIGHTS are getting known for their dinners, so they would like to remind you that they have several projects in development, as well as

The quite peculiar and irresistible charm of Ellen Terry

which is planned to run at the actor's church, St Paul's Covent Garden, October 27th to 31st 2009. Following the popularity of their

dinner last autumn, there will be another, in aid of *Ellen Terry and the view from Freshwater*

a residential weekend with many expert speakers to be held at Dimbola Lodge, Freshwater Bay, Isle of Wight from 25th to 28th September 2009, as well as other works in progress.

You are invited to buy tickets for our new

Fundraising Dinner

with three vegetarian courses, wine,
and a new entertainment

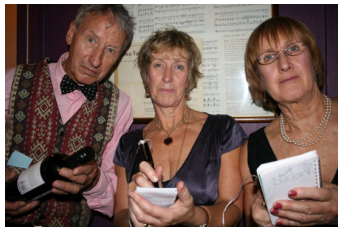

with music and song

and cooking by Carlo

at the Bonnington Café in Vauxhall

for £35 per person

on the 21st April 2009 at 7:00 PM

THE BONNINGTON GROUP meets regularly above the Bonnington Café, in a quiet square hidden from the roar of the Vauxhall Cross roundabout, and it has become our home. It is easy to reach by bus, underground and mainline train. We hope you will come and support us and our projects, and at the same time enjoy yourselves in our company.

If you cannot come but would like to make a donation, please use the contact details below.
